

Enrollment is Easier when Everyone is **Prepared!**

Are you ready to sign up for a new health insurance plan or renew your current one?

Use the checklist below to help you gather the documentation you'll need to have ready when you apply for coverage.

- ❑ **Initial Premium** form of payment for the initial premium. We accept cash, money order, check, debit, or credit card (3% conv. fee applies)
- ❑ **Social Security Numbers** for each individual seeking health coverage (even those under 18 years of age)
- ❑ **Proof of Residency (if not a U.S. citizen)** (visit healthcare.gov for a complete list of acceptable forms)
- ❑ **Employer and Income Information** for every member of your household (including paystubs, W-2 forms, or wage and tax statements)
- ❑ Your best estimate of what your **2015 household income** will be (family members included on your tax return)
- ❑ **Policy numbers** for any current health insurance (or information about job-related health insurance you or someone in your household are eligible for)

Also, don't forget to bring a list of questions regarding your health insurance options and how your plan will work for you, to ask your broker.

Here are some **sample questions** to get you started:

- Will my doctor be in my network?
- Will my medications be covered by my plan?
- Do I qualify for a tax credit (subsidy)?
